IML 300
Final Project

Daisy Bell

Bored during quarantine?

Think you’ve listened to all of Spotify and watched all of Netflix?

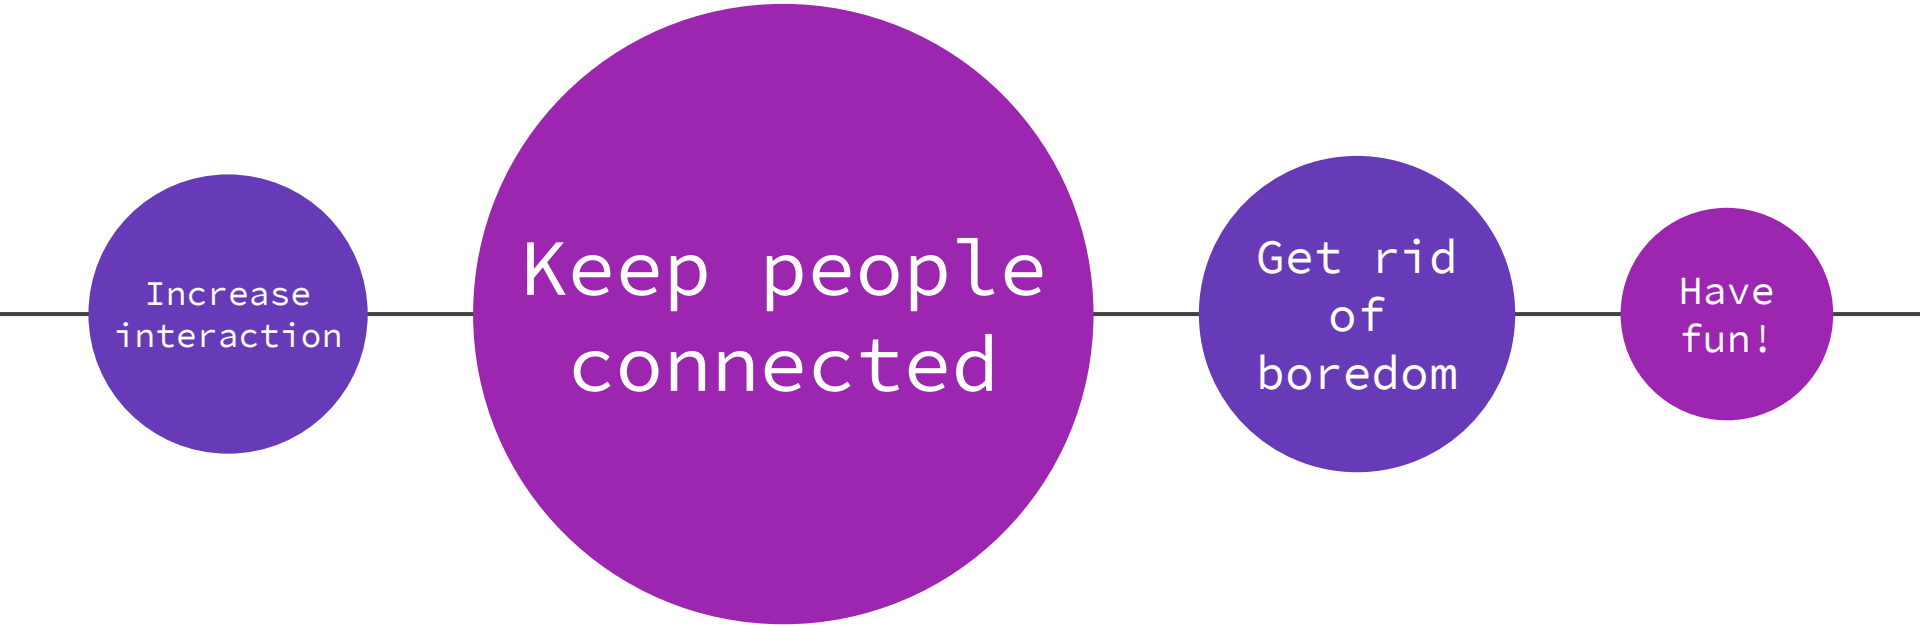
Imagine a space where you will always know which TV Show to watch next...

introducing...

theBulletin

This is a platform where you can share your favorite media with your friends.

goals



Increase interaction
Keep people connected
Get rid of boredom
Have fun!

Future Iterations

- Attach to GeoJSON of a search engine (search works)
- Incorporate explore function
- Create further changes on the profile page
- Formal format for feed

Thanks!

Q&A?
